Occasion™

Bathroom Faucet and Accessory Collection

KOHLER®

Fashioned to be the center of attention.

The Occasion™ faucet and accessory collection was inspired by the high fashion and effortless glamour of the Golden Age of Hollywood. The flawless design draws the eye from the chamfered edges to the subtle flare of the base. Just like the era that inspired it, the Occasion collection is always graceful, ever refined, and fashioned to be the center of attention.
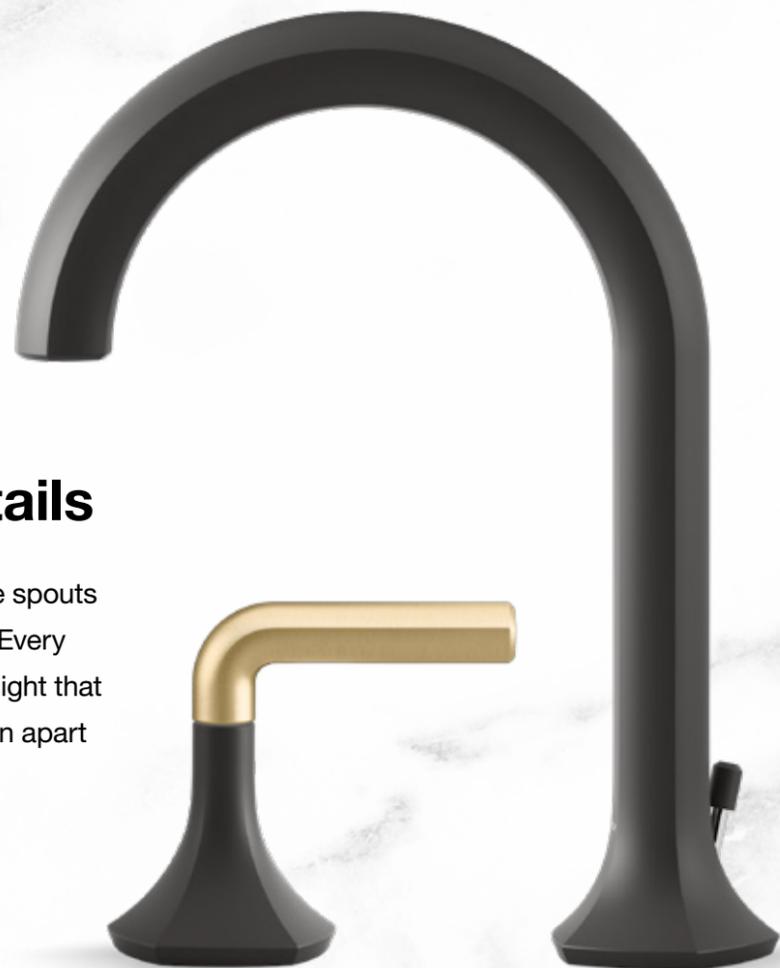

Straight Spout

Cross Handle

Knob Handle

Sophisticated Details

The handles perfectly complement the spouts with flowing lines and delicate edges. Every angle and edge invites an interplay of light that catches the eye and sets this collection apart from any other.

Lavatory Faucets

The flawless lines of the lavatory faucets catch the eye and command attention. Select from three styles—single-handle, widespread, and wall-mount.
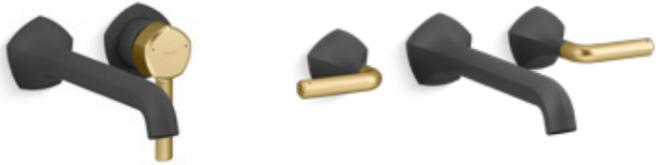

Widespread
Combine one of two spouts with three handle options

Single-Handle
Available in three sizes

Wall-Mount
Available in various installation types with three handle options
Requires valve, sold separately.

Showering

The distinct look of the Occasion™ collection is carried throughout every detail of the collection's showering components—include rainheads with Katalyst™ air-induction technology and newly introduced Statement™ handshowers that feature signature KOHLER® spray experiences.
